

# Professional Construction Estimators Association of Orlando Yearly Sponsorship

The Professional Construction Estimators Association of Orlando is offering annual sponsorships to companies that are members of PCEA.

The Orlando Chapter of PCEA received its charter in 2002. Since that time it has grown to be one of the largest and strongest chapters in the PCEA organization. In 2008 PCEA-Orlando was awarded the prestigious chapter of the year recognizing our outstanding achievements. With approximately 50% of our membership in General Contractors, senior level positions, principals and owners you can gain exposure to those who implement a variety of initiatives for their firms. Benefits of yearly sponsorship can be found on the listed below. Annual Sponsorship runs June thru May. Please contact a board member with questions or to reserve your spot as a PCEA Orlando Annual Sponsor. We look forward to partnering with you to help you reach your goals in the coming year.
